**SUBJECT:** Consolidation of ESR Testing

Dear Health Care Providers,

Effective November 23<sup>rd</sup>, 2021, all ESR testing will be performed at Rogue Regional Medical Center with expected turnaround time of four to six hours.

TRMC Laboratory will continue to offer CRP testing for detection of acute inflammatory responses as an in-house test with expected turnaround time of 0.5 hours.

Please reach out to Dr. Gailey, Laboratory Medical Director or Sergey Smirnov, TRMC Laboratory manager, if you have any questions or need more details on this consolidation initiative.

Sincerely,

Sergey Smirnov  
TRMC Laboratory Services, Manager.
